Create  
Calendar

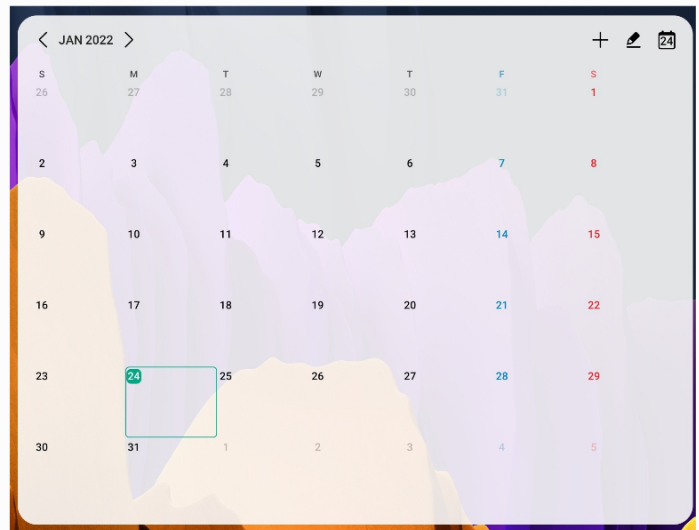

Admin user fills up calendar  
using Google forms as  
an input

Google Form

Full name \_\_\_\_\_  
Email \_\_\_\_\_  
Date \_\_\_\_\_  
Deadline \_\_\_\_\_

Send  
form

Updates  
Calendar

Sends an Email to  
each user from Google-  
form with a specific link  
to current calendar.

- ⊗ The calendar is open for ratings according to Google-form.
- ⊗ Each user can rate each date on the calendar.
- ⊗ After the deadline is over the calendar will automatically be updated according to our fair exchange algorithm.
